

Radio Accessory Headquarters, Inc.

Radio Programming Form

Thank you for choosing Radio Accessory Headquarters, Inc. for your two-way radio purchase. We endeavor to provide excellent service. To ensure the correct programming and operation of your radios, please fill out the necessary information below. Your radios will be programmed to the exact frequencies you specify.

If you don't know your frequencies, we can help. Call us at 888-438-7247.

Please complete and fax back to RAHQ Inc. at 916-392-6882 as soon as possible so we can complete your order.

Our \$10.00 programming fee covers up to 10 channels. If you need more than 10 channels programmed into the radio, please call us at 888-438-7247.
